RELAX

Learn about how things were made in the factory and the lives of the people who made them!

Our *Relaxed* experience has been designed specifically for people on the Autistic Spectrum, with a learning disability or sensory and communication disorder.

For *Relaxed* we have adapted the environment & factory tour to reduce anxiety and minimize stress.

Relaxed tours are by special arrangement only, to suit your needs and the availability of our dedicated Relaxed team. Prebooking is essential.

Please email aarah@coffinworks.org or call 0121 233 4785 for more information.

Detailed pre-visit information: coffinworks.org/relaxed

Max. 12 people per tour. There is a quiet space available. Tours led by volunteers with experience of, or trained on the spectrum. Normal admission applies, carers go free!

The Coffin Works, 13-15 Fleet Street, Birmingham, B3 1JP
